Breast Pump Company**

Spectra S1 Plus

SPECTRA S1 PLUS

Spectra S1+ Breast Pump has a built-in rechargeable battery that allows you to pump anywhere and everywhere

* * *

With a Closed System a physical barrier between moisture, milk and pump motor

* * *

Exceptional Portability about 3 hrs. of pumping for every 2-3 hrs. of charge

* * *

Adjustable Control System to set pump speed and rhythm most effective to your body's need

* * *

"Massage Mode"
a short, shallow mode designed to stimulate mom's letdown reflex
" Expression Mode"
a deeper, slower pattern of suction which mimics how baby nurses
